T. I. KREEK & Co., are selling Goods at small profits. Give them a call if you want good bargains. 1t.

READER, STOP AND THINK.—We suppose the most of our readers buy and use D. B. DeLand & Co's. Best Chemical Saleratus, but if there are any of you who do not, just stop and think; if you buy the Best Chemical Saleratus you get the Best Saleratus made, and full weight.

Boots and Shoes.

CASTLE & LEHMER inform the public, through hand-bills, that they have lately made large additions to their stock, and now have on hand Boots and Shoes of all sizes and descriptions, which are offered at reduced prices. They have added to their stock a good assortment of Gents', Youths' and Childrens' Hats. Give them a call, if you want bargains. 87-1f

Real Estate Agents.

Messrs. T. H. Parrish, T. C. Dungan, and T. J. Hawthorne, attorneys of this place, have just formed a copartnership, and established at this place a real estate agency, with a branch office at Rockport, Atchison county. They have the only complete Abstract of Titles ever made in this county, and therefore have decidedly superior facilities for examining and establishing titles. We commend them to the public, at home and abroad. See card in this paper.

If you want to make a good selection of Dry Goods and Groceries, examine the stock of T. I. KREEK & Co., at Head Quarters. 1t.

Twenty-five Houses.

The prospect is that there will be erected at this place the coming season at least twenty-five houses. Most of these are to be built by those who will occupy them as residences or for business.

The facilities for obtaining lumber, it is gratifying to know, will be much better than last year, and the prices somewhat lower. A good mill is in operation at Forest City, which turns out lumber, lath, and shingles. There is also a yard at that place where all kinds of pine lumber can be obtained. Within one mile of this place, we understand, there will soon be in operation a saw mill, which will turn out a sufficiency of lumber for all demands, even were there no others. Oregon is looking up with the opening of spring.

THE St. Joseph Union of the 16th says: "The publishers in this section of the West are to meet at the Times office, in Leavenworth, on Wednesday next, (last) for the purpose of forming an association for mutual protection and benefit. It is desirable that there be a full attendance."

Shall we dwell in tents?

MR. EDITOR: I see several of your correspondents are urging the erection of more tenant houses. Capitalists, of course, know how to invest their money. To loan it at twelve per cent. is better than to invest it in buildings that pay thirty-seven and a half per cent., of course it is; can you not see it, Mr. Editor? Houses purchased within the past year at six to seven hundred dollars, are renting at, in some cases, ten and twelve dollars per month. Yet, says Mr. Money, "It don't pay." There is a present demand for one hundred houses in Oregon, all of which would be immediately occupied at remunerative rates to their owners. The building of these houses would add at least fifty per cent. to the value of every dollar's worth of real estate in the city, the rent would pay at least twelve per cent. on the investment, and the enhancement in property value, fifty per cent. more.

But there is another aspect to this question: what are we poor sans culottes to do? We must have some place to live, or leave the country. Shall we dwell in tents? The fact is some of us are too poor to buy the tent cloth at the present high price of cotton.

The question begins to assume a serious aspect. Who will help to solve it?

Capitalists say, "We do not like to have people tell us how we are to invest our money." Yet you, Mr. Money, are the very first man to tell us poverty stricken mortals how we must invest our money, and what prices we must get for its expenditure—and worse than that, you enforce your advice. Say you, "I only pay so much for so much work, if you don't like my terms, go somewhere else;" and we have to comply in most cases. You now say, "You laboring men want houses; well, build them, we won't." And if we want to borrow money from you to do so, you say "ten per cent. with two per cent. added for revenue stamp, Government tax, and stationery on which to draw the note," and you must have two good responsible names and mortgage on real estate worth double the sum loaned, and then you only loan it as a special favor.

MR. EDITOR, I am not personal in this, I have never had to borrow at any such rates, nor do I aim at any individual or individuals, but at a class who live here in Oregon, and in every other town and city in the country. A class of men who call it *financiering* to loan money at such rates with such security and sneeringly say that *sans culotte* is no *financier* because he don't loan money at the same rate. Alas for poor SANS CULLOTTE.

THE interior workmanship and finish of the American Organ is not excelled by the nicest work in a Grand Piano, every portion of the action being finished in a superior style, while the exterior cases are truly beautiful as pieces of parlor furniture.

CHAS. W. BOWMAN, is the agent at Oregon, Mo., and will give prompt attention to orders for the above instruments.

Good bargains in sewing machines, of all the celebrated manufacturers, may be had by applying at this office. Call and get price lists and specimens of work.

"Don't trouble yourself to stretch your mouth any wider," said a dentist to a man who was extending his jaw frightfully, "as I intend to stand outside of it to draw your tooth."

GOOD AT ALL TIMES.—Dr. Henry's World's Tonic and Blood Purifier and Root and Plant Pills can be taken at any time, without regard to diet or drink, and no fear need be entertained of taking an overdose, or of wet weather, or of sore mouth, as no poisonous minerals enter into their composition. They are decidedly the best preventive and curative remedies of the age. All druggists keep them for sale.

A YOUNG LADY returning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends. In place of a coarse, ruddy, flushed face, she had a soft, rosy complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CINCINNATI BALM, and considered it an invaluable acquisition to any lady's toilet. By its use any lady or gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as nature intended it should be, clear, soft, smooth and beautiful. Price \$1. sent by Mail or Express, on receipt on an order by W. L. CLARK & CO., Chemists, No 3 West Fayette st., Syracuse, N. Y. The only American Agents for the sale of the same. H 33 1y

Reparator Capilli.

Throw away your false frizzes, your switches, your wig—Destructive of comfort, and not worth a fig; Come aged, come youthful, come ugly and fair, And rejoice in your own luxuriant hair.

Reparator Capilli.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Repurator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. ASTROLOGY.

The World Astonished

AT THE WONDERFUL REVELATIONS

MADE BY THE GREAT ASTROLOGIST,

MADAME H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relation and friends, loss of money, &c., have become despondent. She brings together those long separated; gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and mysterious future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit card, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address, MADAME H. A. PERRIGO, P. O. Drawer 208, Buffalo, N. Y. H 33 1y
